CQMS Support Package

The Package:

- **Anchor Pharmacy** provides a highly professional yet free support service for care establishments. Medications are delivered to your door in easy to use monitored dosage packs, and your pharmacist is available with free advice during shop hours. Personal and attentive service is the hallmark of Anchor support for you.
- **The free Medications Policy** is part of the Care Quality Management System (CQMS) which is maintained up to date and is available both in loose-leaf manual and on-line on your own dedicated website provided for you by UKQCS.
- Completely free Level 1 (induction) training is available to Skills for Care Common Induction standards, online for all your staff, at all times to suit them and you.
- The highly discounted UKQCS management system is customised to your business with the on-line access providing:

A live system for managers and staff to access key documents required in the performance of their duties.

Facility to control access by selected staff to ensure documents are read and understood if necessary.

Notification of changes in key procedures or systems communicated to you and relevant staff to ensure you are always up-to-date.

All documents are customised and included in the update service ensuring that they are fully in line with legislation, best practice and regulatory body requirements. Advice and guidance is provided by sector specialists, with both online and telephone support services available. Unlike other packages, UKQCS can provide you with your own personally assigned HR advisor.

QMS includes the operational areas of:

- Administration
- Care
- Catering
- Housekeeping
- Maintenance
- Personnel

Health and Safety, training, quality assurance and risk management are embedded throughout the system and cross referenced.

- The highly discounted HR/Personnel support package from UKQCS is unique. No more call centres and generic support. UKQCS-HR clients have a personal client manager, who only advises care businesses, and therefore knows the particular issues which cause you risk and stress and will advise you in a manner sensitive to your needs and concerns. Because of the focus on the care sector, the service is significantly less costly than competing generic systems.
- The package includes a DAS insurance policy through John Heath Insurance Brokers covering you against Employment Tribunal case preparation costs and awards (subject to normal insurance terms)
